

Your one-stop-ERP solution for 360 degree office automation

Allion **Technologie**
Reach - Consult - Deliver

THE ALLION EXPERTISE... YOUR TRUSTED TECHNOLOGY PARTNER ACROSS THE GLOBE.

Allion Technologies, striving to be the partner of choice for global enterprises, in powering cutting edge technology for their businesses, was established in 2006, and since then has grown to serving clients globally. From the development of bespoke IT Solutions, offering Infrastructure-as-a-service, integration and middleware services and Startup incubation, to a plethora of ready-to-use software products in Sales Automation, ERP, Content Management Systems and eCommerce, Allion is a leading global IT Services partner trusted for sustained quality of delivery. Headquartered in Sri Lanka, Allion operates offices in Canada and Australia, with a clientele spanning across multiple industry verticals from healthcare to education to governmental institutions and NFPs.

ODOO FOR YOU

Trusted by 3 Million + users worldwide, Odoo is a state-of-the-art management software system for any business operation of any scale in any industry, equipped with 10,000+ seamlessly integrated applications, bringing together a perfectly customized “pick and choose” ERP solution for you. The Odoo edge spans across multiple functions including websites, sales, operations and productivity tools on a broad categorization, cascading down to cover over 20 business functions.

ALLION ODOO SERVICES

Odoo Business Consultancy, Implementation and Support by Allion

Commencing from the business requirement gathering by our consultants to implementation and after sales support, the Allion experts ensure your customized ERP solution is functional end-to-end. With a core focus on precise requirement gathering to process optimization, cost optimization and effective on time delivery, we take care of your needs.

Equipped with comprehensive support packages thereafter, we ensure your operations run smooth and operational efficiencies are at a maximum throughout your journey.

Odoo Customizations and Third Party Integrations

We understand that no business is alike, be it in the same industry and same niche, the processes and practices differ and are unique to each entity. This is where the Odoo customization comes in. Allion specializes in bringing together customized Odoo modules to fit your unique processes and can even build the required applications for you.

In addition to customizations, we also ensure any required third party integrations are covered in your suite as per your needs. We have facilitated a range of business tools in this aspect connecting seamlessly with Odoo, including Magento.

WHY USERS LOVE ODOO AND YOU SHOULD TOO...
